

SURVEY GRADUATE - CHRISTCHURCH

THE OPPORTUNITY

We have an exciting opening in our Christchurch office for a Survey Graduate to work with our dynamic team of surveyors, planners and land development engineers.

Our Company, Staig and Smith Ltd is involved in a wide variety of surveying and spatial measurement projects throughout the South Island:

UAV SURVEYING
LASER SCANNING
3D POINT CLOUD ANALYSIS
RURAL AND URBAN LT SURVEYS

TOPOGRAPHIC SURVEYS
LAND DEVELOPMENT ENGINEERING
VERTICAL CONSTRUCTION ENGINEERING
SPATIAL PROBLEM SOLVING

ABOUT YOU

We are looking for an enthusiastic team player with a strong work ethic who will support our company values. You will ask questions, bring your ideas to the table and take the initiative.

ABOUT US

We are an innovative group of surveyors, planners and land development engineers aiming to deliver excellence in all our projects. Our company history dates back to the 1950s and we have offices in Nelson and Christchurch servicing the South Island and beyond.

Our Company vision is to provide great living and working environments for people and communities.

What we value:

- **MAHI** – We communicate, innovate and deliver quality
- **TRUST** – We partner with and own the goals of our clients
- **WHĀNAU** – We value our sense of team and manaakitanga

We are committed to your support by providing our **GRADUATE MENTOR PROGRAM** as you journey to be licensed, with regular check-in's with your mentor.

SUMMER STUDENT INTERNSHIP 2024/2025 - CHRISTCHURCH/NELSON

ABOUT YOU

We are looking for a hardworking student considering your options following your end of year exams. We expect a willingness to learn new skills and solidify some of the theory you have been learning at Survey School.

To explore this further, please touch base via email or phone on:
